Mrs A. S. Manley.

55 Somerset St.

Musack New Jersey.

Dear Mrs Manley.

I first want you to know that I appreciate your helpfulness in securing Western League for Wilson and I am glad to know you all appreciate and like the idea of penants and Trophy. In reference to your pants Mr Robt wrote me that you had mentioned to him about the fits 2 years ago. I ordered them this year exactly same as I ordered from Wilsons. last year. In other words - your mens height and weight I compared with his measurements for same size man and that is how you rec'd 44's. In other words.

Mackey is 6 ft 2 1/2 lbs - 44 -

Pearm is 6'2" 210 lbs.

2" Taller

Ivin " 6' 200 lbs.

Clarkson " 6' 210 lbs.

I personally insisted on full cuts and really want you to try them on there 4 fellows with their shirts and Pads (sliding Pads on)

At the same time bear in mind your old ones have been Washed many times and each time shrink a little.

These New ones I am certain will shrink 2 to 3 inches at wash in first Washing.

If you feel that they are going to be too big after what I have suggested - then send them to me - and I have them cut - but I never would figure you could use a 36 or 38 on these fellows - I have listed for a Baseball Pant 36 or 38 - Regular dress Pants might fit but 36 or 38 Baseball Pants would be most too tight.

Do you wish to try them on these other 3 men I have named before you have them cut if so just write me I can have them cut any time you say. but I do want these Pants full enough to please every one - you and Mr Mackey as well as the 3 men I named besides Mackey. I know "Mackey" cannot wear less than 44 - that is what I always made for him. Zippers could have been used - but they get out of order in Washing so I never use them on our Major "Pants" unless Customer really wants them. Write me at once please on Pants and write me a separate note as an order for 2 gross of balls I will take care of this order for you thanking you for all past favors

Sincerely
Bob Rose
